

AirFree™32 Tool Introduction

Senco is pleased to announce the introduction of the **AirFree32** 16 Gauge Battery Powered Finish Nailer, **effective immediately**. The AirFree32 is a 16 gauge finish nailer, that drives 1-1/4" to 2-1/2" finish nails.

AirFree is a new line of battery powered tools requiring no air compressor, cords, or fuel cells. All AirFree tools come with 2 batteries and a charger in a hard shell carrying case.

The new AirFree32 offers many user friendly features and benefits:

- AirFree32 drives up to 1,000 nails per charge
- Magazine holds 110 nails
- Drives 16 gauge finish nails from 1-1/4" to 2-1/2"
- Includes two 14.4 volt batteries
- Includes one hour battery charger
- Comfort grip
- Electronic adjustable depth of drive control
- EZ-Clear nail jam release
- No-mar pad for perfect finish work
- Belt drive for quiet operation
- Belt hook
- Rugged carrying case
- One- year warranty
